*Student Support Services Roadshow

- are you getting new students next semester?
- do you answer the same questions every semester about what services there are available for your students?
- do you need to inform students of the Student Support Services? (*and maybe aren't sure who they are what they do and how they are able to help your students!*)
- would you like to have all the Student Support Services in the one place for 45mins-1hr to inform your students and to answer all your student's questions and queries?

If you answered 'Yes' to just one of the above - we'd like to hear from you.

Student Support Services are available to present a 45 mins-1hr session to your class at the times below. These sessions will be held in the Lecture Theatre WK120. We would like to present to as many students as possible at one time so if you could get a couple of classes in your area to attend a session, that would be greatly appreciated.

Please contact me Debbie.wipani@whitireia.ac.nz if you would like to book a time.
